CONTENTS

Prices

The prices shown are retail prices in pounds sterling for standard product finished in a 'representative fabric'. We reserve the right to update and amend prices and specification without prior notice. All orders are accepted subject to our terms and conditions of sale. All prices are exclusive of VAT.

Conditions

This price guide cancels and replaces all previous price lists. We reserve the right to alter product and prices without prior notice. All goods are invoiced at prices running at the date of despatch. Full terms and conditions of sale can be found on your order acknowledgements and invoices or can be requested.

Tender Information

Chairwell Seating Ltd currently hold a number of framework agreements supplying our entire range of chairs into Public and Commercial sectors in partnership with our dealers nationwide. To achieve these successes we have been required to supply product certification and industry body membership certificates. These are available upon request together with images and Environmental and Health and Safety Policies, if you require this information then please contact us and we will do all we can to help ensure your success.

Accreditation

To achieve excellence a company must be committed to a process of continuous improvement and maintain an infrastructure capable of satisfying the standards of the industry. Many of Chairwell Seating Limited's chairs have been successfully tested by SATRA and FIRA and satisfy the requirements of BS4875, BS7945, EN1729 for Education and NHS supply chain approval. This certification allows specific chairs to be selected with confidence for heavy and medium contract use and confirms their intrinsic strength, durability, stability and suitability for 24 hour use.

Sample Products!

Sample products are available for consideration, showroom or for user assessment. All samples are issued on a strict 30 day sale or return basis. This period can be extended by confirmation.

Samples - call: 01869 346848 and ask!

General Information

Chairwell Seating Limited design and manufacture a comprehensive range of specialist Industrial, Laboratory, Office and Educational Seating products. Fully ergonomic, Health and Safety compliant, heavy duty and built to last (using 25 stone 'S' rated gas lifts as standard). All seating products are made in the UK and carry a substantial 5 year warranty.

Environmental Policy

Chairwell Seating Limited ensures wherever possible environmental impact is kept to a minimum. We have initiatives such as specific 'green foam' padding and 100% cotton upholstery to produce chairs with a much greener edge. The timber used in the construction of our chairs originates from managed, sustainable sources and wherever possible we vet our suppliers to ensure they also support sustainable and ethical work practices. We adhere to the practices laid out in the Environmental Protection Act 1990 and endeavour to reduce waste and to recycle as much as possible. The Chairwell Seating Limited policy for the environment is that its' activities shall not impart harm or damage to the environment by way or using materials or energy that may have been produced in a wasteful manner. Neither shall the Company dispose of waste materials in a manner that would cause harm to the environment. To this end the Company's actions in observing the policy will ensure:

- It is relevant to its activities, products and services and their environmental effects.
- It is understood, implemented and maintained at all levels in the organisation.
- It is publicly available.
- A commitment to continual improvement of environmental performance is in place.
- Provides for the setting and publication of environmental objectives.

Guarantee

A five year guarantee from date of delivery **applies to all chairs** whilst used under normal conditions and during a conventional working day. If the chairs are used in a shift or 24/7 working environment the guarantee is two years from date of delivery. Where applicable our chairs are fitted with a 25 stone "S" rated gas lift and bases are tested to 2 tonnes.

The Mesh Chairs is an ergonomic range of operators seating. It offers style and quality with a 2-lever mechanism with a height adjustable back rest. Seats have moulded foam fitted with medium mesh back.

The Action Pro Mesh is a contemporary styled task seat with double curved moulded seat foam and with mesh back and adjustable lumbar support. 2-lever syncro mechanism fitted as standard high back. Black spider base fitted as standard.

The Monty is smart and a little different. The Monty is available with the two lever mechanism for seat and back adjustment. The height of the back is also adjustable via a hand wheel.

The Easi range offers a unique and ergonomic seat, suitable for working professionals and business people. Chairs feature fingertip control of syncro movement of seat and back with tensionable adjustment. Black spider base fitted as standard. A stylish yet fully functional range of seating.

Terms and Conditions

All orders must be received in writing (email/fax) and shall be acknowledged by Chairwell Seating Limited.

Cancellation of Orders

A cancellation of order shall only be accepted in writing (email/fax). If a cancellation is received within 72 hours of acknowledgement there shall be no cancellation charge. If fabric has been delivered to our works, the 'returns' charge shall be invoiced by Chairwell Seating Limited.

If the chairs are already in production when Chairwell Seating Limited receives a cancellation an invoice at 25% of the order value shall become payable. If the chairs have already been made when the cancellation is received, a 50% cancellation charge will become payable.

Delivery

Chairwell Seating Limited offers a two-three week delivery turnaround from receipt of order. Factory shut downs during Easter, Summer Holidays and Christmas can sometimes extend this lead time.

Please always check your acknowledgment for due dates. Given precise instructions we can normally deliver to a specific date and time. Please speak to the sales office to confirm this is possible with each order. We arrange delivery during normal working hours to goods inwards, warehouse or reception only. Out of hours, weekend deliveries and placement of chairs are options that require a quote based on the order size and location/times. A quotation must be authorised prior to Chairwell Seating Limited making arrangements to deliver in these special circumstances.

Payment and VAT

Trading terms of Chairwell Seating Limited are 30 days from invoice unless otherwise agreed. All new accounts shall pay proforma for the first 2 transactions, until trading history is in place. Account holders are subject to Credit Risk checks. Where accounts are in place these become payable 30 days from invoice.

Any 'specials' or unusual orders may require a deposit. Large orders in excess of £15,000 may require stage payments, these will be agreed prior to order acknowledgments being issued. All prices quoted exclude VAT. All orders shall be handled in good faith with the above conditions in mind.
